

International Conveyors Limited

Annual Report
2019-2020

FORWARD-LOOKING STATEMENT

In this Annual Report we have disclosed forward-looking information to enable investors to comprehend our prospects and take informed investment decisions. This report and other statements - written and oral - that we periodically make contain forward-looking statements that set out anticipated results based on the management's plans and assumptions, 'projects', 'intends', 'plans', 'believes' and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward-looking statements will be realized, although we believe we have been prudent in assumptions. The achievement of results is subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialize, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

Directors' Report

FORM MR-3 SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED MARCH 31, 2020

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,

International Conveyors Ltd.

CIN: L21300WB1973PLC028854

Falta SEZ, Sector-II, Near Pump House No. 3

Village and Mouza-Akalmegh

Dist. 24 Parganas (S), West Bengal-743504

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **International Conveyors Ltd.** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2020 complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by Company for the financial year ended on March 31, 2020 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made there under;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; **Not applicable as there was no reportable event during the financial year under review**
- v. The following Regulations (as amended from time to time) and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') :-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; - **Not applicable as there was no reportable event during the financial year under review**
 - d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; - **Not applicable as there was no reportable event during the financial year under review**
 - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; - **Not applicable as there was no reportable event during the financial year under review**
 - f) The Securities and Exchange Board of India (Registrar to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; - **Not Applicable as the Company is not registered as Registrar to an Issue and Share Transfer Agent event during the financial year under review**
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; - Not applicable as there was no reportable event during the financial year under review

Directors' Report

- h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 - Not applicable as there was no reportable event during the financial year under review; and
- i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015
- vi. Other Laws applicable to the Company namely:
 - 1) Air (Prevention and Control of Pollution) Act, 1981 and the rules and standards made thereunder.
 - 2) Water (Prevention and Control of Pollution) Act, 1974 and Water (Prevention and Control of Pollution) Rules, 1975.
 - 3) The Environment Protection Act, 1986 and the rules, notifications issued thereunder.
 - 4) Factories Act, 1948 and allied State Laws.
 - 5) The Income Tax Act, 1961
 - 6) The Central Excise Act, 1944
 - 7) The Finance Act, 1994
 - 8) The Goods and Service Tax Act, 2017

We have also examined compliance with the applicable Clauses/Regulations of the following:

- i. Secretarial Standards on Meetings of the Board of Directors (SS-1) and on General Meetings (SS-2) issued by The Institute of Company Secretaries of India.
- ii. Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that:

- I. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, Independent Directors and a Women Director. Changes in the composition of Board of Directors that took place during the year under review were carried out in compliance with the provisions of the Act;
- II. Adequate Notice is given to all Directors to schedule the Board Meetings, Agenda and detailed Notes on Agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- III. All decisions at Board Meetings and Committee Meetings are carried out unanimously and recorded in the minutes of the meetings of the Board of Directors or Committees of the Board as the case may be.

We further report that based on review of compliance mechanism established by the Company we are of the opinion there are adequate systems and processes in place in the Company which is commensurate with its size and operations, to monitor and ensure compliance with applicable laws, rules, regulations and guidelines

We further report that during the audit period, the company has no specific events/actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

This report is to be read with our letter of even date which is annexed as **Annexure A** and forms an integral part of this report.

Management Discussion and Analysis Report

This Management Discussion and Analysis report presents the key performance highlights of the year 2019-20 pertaining to the Company's business. This review should be read in conjunction with the Integrated Report presented in the earlier sections of this Annual Report, the Company's financial statements, the schedules and notes thereto and the other information included elsewhere in this Annual Report. The Company's financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS), complying with the requirements of the Company's Act 2013 and SEBI (LODR) Regulations, 2015.

ECONOMIC OUTLOOK

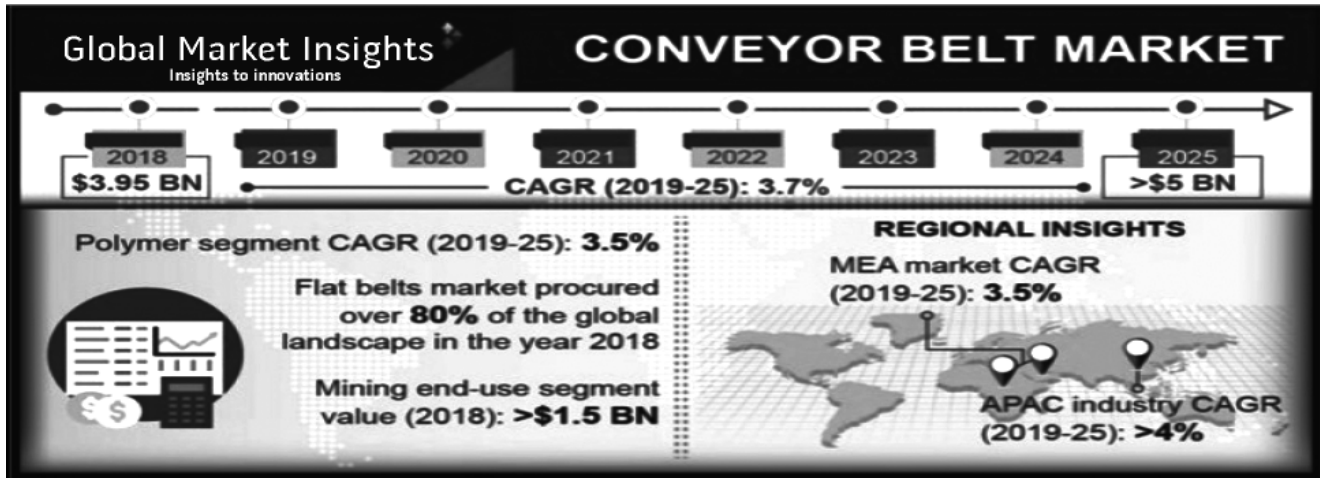

According to the latest report by IMARC Group, titled "**Conveyor Belt Market: Global Industry Trends, Share, Size, Growth, Opportunity and Forecast 2019-2024**", the **global conveyor belt market** reached a value of more than US\$ 5.68 Billion in 2018. Conveyor belts are mechanical devices which include two or more pulleys with a moving belt or chain deployed for carrying objects from one place to another. The objects placed on the belt can be transported horizontally or along an inclined slope. A continuous loop of rubber, leather, metal, plastic or fabric is formed by the belt which is supported either on a metal slider pan or on rollers.

With the consistent use of industrial conveyor systems, the producers are enabled to reduce their inventory levels. This helps in decreasing the overall production cost which is one of the primary factors driving the growth of the market. In addition to this, conveyor belts help in enhancing the order-to-delivery cycle on account of a rising need of rapid delivery and production techniques. This has, in turn, contributed towards an augmented demand for conveyor belts across the globe. Moreover, the growth of the market is being positively impacted by a significant increase in the demand for automation in material handling, advancements made in technologies as well as a surge in environmental concerns due to which eco-friendly conveyor systems have been developed. However, the installation, repairing and maintaining costs of conveyor systems are immensely high owing to which small- and medium-sized industries have become increasingly reluctant to invest in the market. Looking forward, the market value is projected to exceed US\$ 6.94 Billion by 2024, expanding at a CAGR of 3.38% during 2019-2024.

Rising industrial development activities in emerging economies owing to major reforms made by respective governments is the prime factor driving the growth of conveyor belt market over the forecast timeframe. The product is used for carrying materials or components of different sizes, shapes and weights from one place to another in various end-user industries. Conveyor belts subsequently reduce the operation time, cost, and material losses and are important parts of automation solutions in manufacturing plants. In iron and steel industry, the product plays an important role in iron ore mining, transporting and smelting processes.

The conveyors belting forms an integral part of material handling system. It serves as a chain right from the stage of conveying raw material from far off and scattered locations till final rolling out of finished goods. Hence, it could be said that "**CONVEYOR BELTS ARE THE NERVE OF ANY PRODUCTION ACTIVITY IN AN INDUSTRY**".

Management Discussion and Analysis Report

Conveyor Belt Market size is growing at 3.5% CAGR to exceed USD 5 billion by 2025; according to a new research report by Global Market Insights, Inc.

INDUSTRY OVERVIEW IN INDIA

Conveyor Belt Industry in India is growing. The increasing demand for power, mining, and manufacturing industries is considered to be one of the major growth drivers in this market. The global demand for conveyor belts is dominated by the Asia Pacific region with the rise in manufacturing and logistics companies in this region. The Asia Pacific comprises the two fastest emerging economies across the globe, India and China. Increasing industrial investment in India and China has been the chief factor driving demand for the conveyor belt in the Asia Pacific.

The Asia Pacific region is projected to be the largest market for conveyor belts by 2025. The growth can be attributed to the improving economic conditions in emerging economies such as China, India, and Thailand. The rapidly growing population in countries such as China and India has boosted the demand for industries such as food & beverage, e-commerce, and automotive, thus fueling the demand for conveyor belts in these industries.

Recently, Govt. of India has allowed commercial mining of coal through E-Auction of coal seams and we expect participation of private stakeholders whereby there will be more requirement of PVC Belting.

The Indian mining sector is going through interesting times. Today India is the second largest coal producer, cement producer and steel producer in the world. Hence, it has been a key contributor to the demand for conveyor belts.

Global Conveyor Belt Market Share(%) Forecast 2020 - By Major Geographies

Management Discussion and Analysis Report

BUSINESS OVERVIEW

International Conveyors Limited (ICL) is engaged in the manufacture and marketing of solid woven fabric reinforced PVC impregnated and PVC covered fire retardant, anti static conveyor belting in India since 1978 having a rich and valuable experience of around 41 years.

The primary product of your Company is PVC Fire Resistant Antistatic Solid Woven Coal Conveyor Belt and it is also engaged in wind power generation with a capacity of 4.65 MW, with locations spread across Gujarat, Maharashtra, Karnataka and Andhra Pradesh. Your Company has achieved an annual production of 2,55,163 meters in 2019-20. Your Company has the ability to make Conveyor belting up to 2500 kN/m tensile strength and belt widths up to 1800 mm (72"). This is the widest product range of Solid Woven belting available from any one Company with a manufacturing capacity in excess of 1 million meters per annum of all the product mix of PVC Solid Woven Conveyor Belting.

Your Company is also associated with Mato Industries Ltd., UK as distributors in India for Mato Belt Lacing Machine, Fasteners, Spindle Pins and Belt Cutter etc., for the last 3 decades. ICL has achieved substantial growth rate of sale of Mato Products in India. The Company expects substantial growth of the ongoing business in the coming years.

At ICL, we take pride in delivering the ordered stock on time and in good conditions. Customers rely on us for timely delivery of the goods. All our stocks are quality tested before being put on sale. Quality and customer satisfaction is given the foremost priority in International Conveyors Limited.

STRENGTHS

- **Experienced Promoters and Management Team**

The Company is managed by a team of competent professionals with deep knowledge of the core aspects of the business. The promoters are well assisted by an experienced and competent team.

- **Long Term Relationship with the Clients**

Our Company believes in maintaining long term relationships with our clients in terms of increased sales. Our dedicated focus on client coverage and our ability to provide timely solutions and faster resolution of customer complaints, if any, has helped us to establish long term relationships. This key strength has helped us to receive repeat business from our clients. We believe that because of our timely execution of our work, competitive pricing and best customer service, we enjoy goodwill amongst our customers.

- **Forming Strategic Alliances**

The philosophy of our Company is to move further by forming alliances. This strategy is possible because of our reputation, extensive network in the industry and market capability. Further we intend to take this a step further and form strategic alliances with our big customers to increase our sales volume. There is a significant growth in this Industry as mining is increasingly becoming more mechanized in India.

- **Talented and Competent Employees**

Your Company has skilled and professionally competent employees and technical team who contribute for the success and growth of the Company. ICL covers strong market network. This enables Company in enhancing the production and securing large orders.

- **Financial Performance**

During the year under review, the Company has achieved a turnover of Rs. 9130.28 Lacs as compared to Rs. 7777.50 Lacs in the previous year, registering a growth of 17.76%. Your Company's net profit jumped to Rs. 844.27 Lacs from loss of Rs. 550.28 Lacs in the previous year. This was largely on account of Company's focus on expansion in multiple geographies and diverse business products.

OPPORTUNITIES

ICL has always tried to grab the opportunities to maintain its position in the market. Developing nations have observed robust industrialization due to the presence of a huge consumer base along with their respective governments implementing policies to

attract foreign investments to boost the mining and manufacturing sectors. The product is regularly used for material handling purposes in different sectors such as mining, cement production, steel & iron, etc. and can transfer a large volume of materials in all directions with ease. The product is an ingenious way to increase productivity in industries and to reduce labor cost. Looking at the future scenario of Conveyor Belt Industry and increasing demand for the same in different industries, there are ample opportunities available and, ICL will surely maximize its wealth in the coming years. In India the focus is on indigenous supply of product with the slogan “**be vocal for Local**”. Many Government sectors have debarred Global tenders and the target is giving preference to domestic manufacturers and make in India.

RISK AND CHALLENGES

• **Foreign Currency Exchange Rate Fluctuations**

We import our raw material from outside of India and payment of these purchases is made in foreign currency. Also, demand of our product is higher in International Market in comparison to Domestic Market. So, we export our products outside India. Changes in value of currencies with respect to Rupee may cause fluctuations in our operating results expressed in rupees. The exchange rate between the rupee and other currencies is variable and may continue to fluctuate in future. Any unforeseen or adverse fluctuations with respect to the unhedged exchange rate of any foreign currency for Indian Rupees may affect our Company's Results of operations.

• **Competition Risk**

The industry in which we operate is highly competitive. Factors affecting our competitive success include, amongst other things, price, demand for our products, and availability of raw materials, brand recognition, reliability, entry of foreign based companies and domestic producers in the market. Our failure to compete effectively, including any delay in responding to changes in the industry and market, may affect the competitiveness of our products.

• **Regulatory Risk**

Changes in the Regulatory Environment, while usually beneficial to the progress of the sector in the long term, could sometimes cause short term disruptions. Stringent corporate governance regulations and public disclosure requirements have enhanced the need for compliances. Compliance risk is caused by failure in compliance with various domestic and overseas rules and regulations. Non-compliance may lead to penalties and loss of reputation

However, Company has various due diligence systems in place to mitigate the impact of the risks mentioned above and to ensure transparency and accountability in the day to day business activities.

SEGMENT-WISE AND PRODUCT-WISE PERFORMANCE

The segment-wise and product-wise performances of the Company are given in the notes to accounts for the year ended March 31, 2020.

INTERNAL FINANCIAL CONTROL SYSTEMS AND THEIR ADEQUACY

Commensurate with the size and nature of its business, your Company has proper systems of internal controls which ensure acceptable utilization of resources and reliable financial reporting.

Effective and adequate internal control systems are in place to ensure that all assets are safeguarded by and protected against unauthorized used and the transactions are recorded and reported correctly. Such controls are subject to periodical review to ensure efficiency of operations, accuracy and promptness of financial reporting and compliance with all applicable statutory requirements. Compliance with various applicable laws are monitored through a procedure whereby units send reports of compliance to the Board regularly.

The internal audit is carried out through-out the year based on a systematic plan covering all functions and aspects of the business. The internal audit reports are reviewed by the senior management and are placed before the audit committee of the Board of Directors along with actions taken. The Audit Committee of the Board of Directors actively reviews the adequacy and effectiveness of internal control systems and suggests improvement for strengthening them as appropriate. The summary of the Internal Audit observations and status of implementations are submitted to the Audit Committee and is reviewed by it on a regular basis and concerns, if any, are reported to the board.

The IT system of the Company is based on a robust ERP System ensuring seamless connectivity of plants, Sales Office and Corporate Office facilitating faster and more reliable processing of transactions as well as generating reports for faster decision-making. The Company also has a strong control system and management reporting system which serve as the backbone of the monitoring system of operations to ensure that business results are achieved and continuous improvement projects are undertaken.

HUMAN RESOURCES

Human resource is one of the key resources of the Company to ensure business sustainability and growth. The Company has an experienced and talented pool of employees who play a key role in enhancing business efficiency, devising strategies, setting-up systems and evolving business as per industry requirements. The Company provides regular skill and personnel development training to enhance employee productivity. Being a growth-oriented and progressive organization, it recognizes the importance of professionalism. The Company has embarked on several human resource initiatives to enhance the productivity of the organization and each individual. The Company endeavors to provide a safe, conducive and productive work environment.

CAUTIONARY STATEMENT

There are certain Statements which have been made in the Management Discussion and Analysis Report describing the estimates, expectations or predictions, may be read as 'forward-looking statements' within the meaning of applicable laws and regulations. The actual results may differ materially from those expressed or implied. The important factors that would make a difference to the Company's operations include demand-supply conditions, raw material prices, changes in Government Policies, Governing Laws, Tax regimes, global economic developments and other factors such as litigation and labour negotiations.

Corporate Governance Report

In accordance with Part C of Schedule V of the Securities and Exchange board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“the Listing Regulations”) and clause 49 of the erstwhile Listing Agreement, the report on compliance of Corporate Governance at International Conveyors Limited (“the Company”) is given as under:

1. COMPANY’S PHILOSOPHY ON CORPORATE GOVERNANCE

The Company’s philosophy on Corporate Governance as adopted by its Board of Directors is to ensure that the Board exercises its fiduciary responsibilities towards all the stakeholders, thereby ensuring high accountability and that the decision making is transparent and documentary evidence is traceable through the minutes of the meetings of the Board/Committees thereof. The Company believes that Corporate Governance is required to observe the highest level of ethics in all its dealings and help the Company to achieve its goals in maximizing value for all its stakeholders. Sound Corporate Governance is critical for enhancing and retaining investor trust and thus seeks to ensure that its performance goals are met with integrity. The Company maintains the highest level of transparency, accountability and good management practices through the adoption and monitoring of corporate strategies, goals and procedures to comply with its legal, social and ethical responsibilities.

Our Corporate Governance framework ensures that we make timely disclosures and share accurate information regarding our financial performance as well as the leadership and governance of the Company.

The Company aims to increase and sustain its corporate value through growth and innovation.

A detailed disclosure of all the aspects of Corporate Governance related to financial year 2019-20 is appended below:

2. BOARD OF DIRECTORS:

The Board of Directors is entrusted with the ultimate responsibility of the management, general affairs, direction and performance of the Company and has been vested with requisite powers, authorities and duties. The business of the Company is conducted by the management under the directions of the Board. The Board formulates the strategy, regularly reviews the performance of the Company and ensures that the previously agreed objectives are met on a consistent basis.

(i) Size and Composition of the Board

The Board comprises of a majority of Independent Directors. It has a good mix of Executive and Non-Executive Directors including Independent Directors to maintain the independence of the Board and separate its functions of governance and management. As on March 31, 2020 the Board comprises of 8 (Eight) Directors that includes one Woman Director. The Company has an Executive Chairman, two Non-Executive Directors and rest five Directors are Non-Executive Independent Directors. The number of Non-Executive Independent Directors is more than half of the total strength of the Board. All the Directors are eminent and experienced persons in their respective fields of industry, finance, accountancy and law.

Corporate Governance Report

All the directors have periodically informed the Company about their directorship and membership on the Board Committees of other public limited companies. As per disclosure received from directors, none of the Directors on the board hold membership in more than ten (10) committees or chairmanship in more than five (5) committees across all the Public Limited Companies in which he/she is a Director.

During the period under review Ms. Nandini Khaitan and Shri Colin William Benjamin* has resigned from the post of directorship on 09.08.2019 and 14.11.2019 respectively. Smt. Yamini Dabriwala was appointed as an additional (Non-Executive) Director on 14.11.2019 and Shri Sanjay Kothari was appointed as an additional (Non-Executive Independent) Director on 14.02.2020. Smt. Yamini Dabriwala and Shri Sanjay Kothari shall hold office upto the ensuing General Meeting and their regularization is subject to approval of the shareholders in the General Meeting.

The Board composition is in accordance with the provisions of Section 149 of the Companies Act, 2013 and Regulation 17 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

*Shri Colin William Benjamin, Independent Director of the Company had resigned before the expiry of his tenure as he was unable to continue the same due to changes made to the operations of the Company in Australia. The Company has received a confirmation from the Shri Colin William Benjamin in this regard.

(ii) Disclosure of relationship between directors inter-se:

Smt. Yamini Dabriwala, Non-Executive Non-Independent Director of the Company is daughter in law of Shri R. K. Dabriwala, who is Managing Director of the Company.

Corporate Governance Report

AUDITOR'S CERTIFICATE REGARDING COMPLIANCE OF CONDITIONS OF CORPORATE GOVERNANCE

To
The Members of
International Conveyors Limited

1. We, G. P. Agrawal & Co., Chartered Accountants, the Statutory Auditors of International Conveyors limited ("the Company") have examined the compliance of conditions of Corporate Governance by the Company, for the year ended on 31st March, 2020, as stipulated in Regulations 17 to 27 and Clauses (b) to (i) of Regulation 46(2) and para C, D and E of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Listing Regulations').

Managements' Responsibility

2. The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in Listing Regulations.

Auditor's Responsibility

3. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
4. We have examined the books of account and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.
5. We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of the Chartered Accountants of India (the ICAI), to the extent relevant, the Standards on Auditing specified under Section 143(10) of the Companies Act 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

7. Based on our examination of the relevant records and according to the information and explanations provided to us, we certify that the Company has complied in all material respects with the conditions of Corporate Governance as stipulated in the above mentioned Listing Regulations during the year ended 31st March, 2020.
8. We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Restriction on use

9. The certificate is addressed and provided to the members of the Company solely for the purpose to enable the Company to comply with the requirement of the Listing Regulations, and it should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.

MD/CFO CERTIFICATION

To,
The Members of
International Conveyors Ltd.

We, Rajendra Kumar Dabriwala, Managing Director and Ashok Kumar Gulgulia, Chief Financial Officer, hereby certify to the Board that:

- a) We have reviewed the financial statements and the cash flow statement for the year ended March 31, 2020 and that to the best of our knowledge and belief:
 - i. These statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - ii. These statements together present a true and fair view of the Company's affairs and are in compliance with the existing accounting standards, applicable laws and regulations.
- b) There are, to the best of our knowledge and belief, no transactions entered into by the Company during the year ended March 31, 2020 which are fraudulent, illegal or violative of the Company's code of conduct.
- c) We accept responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of internal control systems of the Company pertaining to financial reporting and we have disclosed to the auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify these deficiencies.
- d) We have indicated to the auditors and the Audit Committee that:
 - i. There have been no significant changes in internal control over financial reporting during the year;
 - ii. There have been no significant changes in accounting policies during the period;
 - iii. There have been no instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or an employee having a significant role in the Company's internal control system over financial reporting.

Independent Auditors' Report

To the Members of **International Conveyors Limited**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone financial statements of International Conveyors Limited ('the Company'), which comprise the Balance Sheet as at 31st March, 2020, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2020, and its profit, total comprehensive loss, changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI'S Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to note no. 38 of the standalone financial statements which explains the management's assessment that there is no significant impact of COVID-19 pandemic on the standalone financial statements for the year ended 31st March, 2020.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	How our audit addressed the key audit matter
<p>Accuracy of recognition, measurement, presentation and disclosures of Investments and other related balances</p> <p>Investments include investments made by the Company in various quoted and unquoted equity shares and preference shares.</p> <p>These investments constitute 55.78% of the Company's total assets.</p> <p>The valuation of each category of the aforesaid securities is to be done as per the provisions of Ind AS which involves collection of data/information from various sources such as Demat statement, financial statements of unlisted companies etc. Considering the complexities and extent of judgement involved in the valuation, this has been determined as Key Audit Matter.</p> <p>Refer Note 5 to the standalone financial statements</p>	<p>Our Procedure:</p> <p>We have verified these investments with reference to the provisions of Ind AS as also internal policies and procedure of the Company as follows:</p> <ol style="list-style-type: none"> carried out evaluation of the design and operating effectiveness of the internal controls and performed substantive audit procedures. Assessed and evaluated the process adopted for collection of information from various sources for determining fair value of these investments. Verified compliance with the presentation and disclosure requirements as per Ind AS and the Act. This test was conducted for the entire population.

Independent Auditors' Report

Other Matter

Due to the COVID-19 pandemic, nationwide lockdown and other travel restrictions are imposed by the Government/local administration, hence, the audit processes were carried out electronically by remote access. The necessary records were made available by the management through digital medium and were accepted as audit evidence while reporting for the current period.

Our opinion is not modified in respect of these matter.

Information Other than the Standalone financial statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the

Independent Auditors' Report

circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143 (3) of the Act, we report that:
 - i. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - ii. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - iii. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash flow dealt with by this Report are in agreement with the relevant books of account.
 - iv. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - v. On the basis of the written representations received from the Directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of section 164(2) of the Act.
 - vi. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

Independent Auditors' Report

vii. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

- a. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note No. 38.1 to the standalone financial statements.
- b. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
- c. There has been no delay in transferring amounts, required to be transferred to be transferred to the Investor Education and Protection Fund by the Company.

3. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

“Annexure A” to the Independent Auditors’ Report

Statement referred to in paragraph ‘Report on Other Legal and Regulatory Requirements’ of our report of even date to the members of **International Conveyors Limited** on the standalone financial statements for the year ended 31st March, 2020.

- (i)
 - a) The Company has maintained proper records showing full particulars including quantitative details and situation of its fixed assets.
 - b) The fixed assets have been physically verified by the management during the year. Based on our review, no material discrepancy was noticed on such verification and in our opinion the periodicity of such physical verification is reasonable having regard to the size of the Company and nature of its assets.
 - c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- (ii) The inventories have been physically verified during the year by the management at reasonable intervals and no material discrepancies were noticed on such physical verification.
- (iii) According to the information and explanations given to us, the Company has granted unsecured loans to companies which are covered in the register maintained under Section 189 of the Act.
 - a) In our opinion and according to the information and explanations given to us, the terms and conditions of the grant of loans are prima facie not prejudicial to the interest of the Company;
 - b) In respect of the loans granted by the Company, there were no stipulations with respect to repayment of principal and interest amounts.
 - c) As informed to us, having regard to the terms and conditions of the loans, there are no overdue amount outstanding in respect of such loans and interest thereon.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Act, with respect to the loans and investments made.
- (v) The Company has not accepted any deposit within the meaning of section 73 to 76 or any other relevant provisions of the Act and the rules framed there under. The directives issued by the Reserve Bank of India are not applicable to the Company.
- (vi) We have broadly reviewed the books of account maintained by the Company in respect of products where pursuant to the rules made by the Central Government, the maintenance of Cost records has been prescribed under section 148(1) of the Act and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We, however, as not required, have not made a detailed examination of such records.
- vii)
 - (a) According to the information and explanations given to us and based on the examination of the records of the Company as provided to us, the Company is regular in depositing undisputed statutory dues including provident fund, employees’ state insurance, income tax, goods and service tax, customs duty, cess and other statutory dues, to the extent applicable, with appropriate authorities and no undisputed amounts payable in respect of the aforesaid dues were outstanding as at 31st March, 2020 for a period of more than six months from the date of becoming payable.
 - (b) The disputed statutory dues aggregating to Rs. 29.44 Lakh that have not been deposited on account of matters pending before appropriate authorities are as under:

Name of the Statute	Nature of the Dues	Period to which pertain	Amount (₹ in Lakhs)	Forum where the dispute is pending
Income Tax Act, 1961	Income Tax	2003-04	2.00	Commissioner of Income Tax (Appeals) – 17
Income Tax Act, 1961	Income Tax	2013-14	5.16	Commissioner of Income Tax (Appeals)- 17
Finance Act, 1994	Service Tax	August, 2012 to March, 2015	22.28	Commissioner of CGST and Central Excise
Total			29.44	

“Annexure A” to the Independent Auditors’ Report

- (viii) The Company has not defaulted in repayment of loans or borrowings to bank. The Company has not taken any loan from financial institutions or Government and has not issued any debentures.
- (ix) As per records examined by us, the Company has not raised any money by way of initial public offer or further public offer (including debt instruments) or term loans during the year. Therefore, clause (ix) of paragraph 3 of the said order is not applicable to the Company.
- (x) According to the information and explanations given to us and as per records examined by us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.
- (xi) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- (xii) In our opinion, the Company is not a nidhi company. Therefore, clause (xii) of paragraph 3 of the said order is not applicable to the Company.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with them. Accordingly, clause (xv) of paragraph 3 of the said order is not applicable to the Company.
- (xvi) According to the information and explanations given to us, the provisions of Section 45-IA of the Reserve Bank of India Act, 1934 are not applicable to the Company.

“Annexure B” to the Independent Auditors’ Report

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of International Conveyors Limited (“the Company”) as of 31st March, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Annexure “B” to the Independent Auditors’ Report

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Notes Forming Part of the Financial Statements as at March 31, 2020

1. Corporate Information

International Conveyors Limited (“ICL” or “the Company”) is a public limited Company incorporated and domiciled in India. The registered office of the Company is situated at Falta SEZ, Sector-II, near Pump House No. 3 Village & Mouza- Akalmegh, Akalmegh-743504.

The Company's shares are listed on The Bombay Stock Exchange Limited and The Calcutta Stock Exchange Limited.

Its business consists of :

- (a) Manufacturing and trading of Conveyor Belting,
- (b) Trading of Ply Conveyor Belting, Steel Cord Conveyor Belting and fitting and accessories, and
- (c) Generation and Sale of Power.

The financial statements for the year ended March 31, 2020 was approved for issue by the Board of Directors of the Company on July 13, 2020 and is subjected to the adoption by the shareholders in the ensuing Annual General Meeting.

2. Significant accounting policies

2.1 Statement of Compliance with Ind AS

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) specified under Section 133 of the Companies Act, 2013 ('the Act'). The financial statements have also been prepared in accordance with the relevant presentation requirements of the Act.

2.2 Basis of preparation

These financial statements have been prepared in accordance with Ind AS under the historical cost basis except for the following:

- i) Certain financial assets and financial liabilities (including derivative instruments) - measured at fair value, and
- ii) Defined benefits plan – plan assets measured at fair value.

Historical cost is generally based on the fair value of the consideration in exchange for goods and services.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013.

The Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

The financial statements including notes thereon are presented in Indian Rupees (“Rupees” or “Rs.”), which is the Company's functional and presentation currency. All amounts disclosed in the financial statements including notes thereon have been rounded off to the nearest lakh as per the requirement of Schedule III to the Act, unless stated otherwise.

Accounting policies have been consistently applied except where a newly issued Indian Accounting Standard is initially adopted or a revision to an existing Indian Accounting Standard requires a change in the accounting policy hitherto in use.

2.3 Property, plant and equipment (PPE), depreciation and amortization

- a) All Property, plant and equipment are stated at cost of acquisition with subsequent improvements thereto. Cost of acquisition includes taxes, duties, inward freight and installation expenses.

Expenditure incurred on improvements/ modifications of fixed assets that increases the future benefits from the existing asset beyond its previously assessed standard of performance, e.g., increase in capacity / efficiency, are capitalized.

- b) Depreciation is provided on written down value method as per Schedule II of the Companies Act, 2013 based on the

Notes Forming Part of the Financial Statements as at March 31, 2020

useful life of the assets. In case of certain items of Plant and Equipments where useful life ranging from 10 to 30 years has been considered based on technical assessment, which is different from the useful life prescribed under Schedule II of the Companies Act, 2013. However, assets costing ₹ 5,000/- or less are depreciated fully in the year of addition. Leasehold land is amortized over the period of lease.

Additions on account of improvements/ modifications, which becomes an integral part of the existing asset and either do not have separate identity and/or are not capable of being used after the existing asset is disposed off, are depreciated over the remaining useful life of the assets (improved /modified) they are attached with.

c) Intangible Assets

Intangible assets are stated at cost of acquisition less accumulated amortization. Computer software packages are amortized over a period of five year on straight line basis.

2.4 Financial instruments

Financial assets and financial liabilities are recognized in the Balance sheet when the Company becomes a party to the contractual provisions of the instrument. The Company determines the classification of its financial assets and financial liabilities at initial recognition based on its nature and characteristics.

(a) Financial assets

(i) Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. The financial assets include equity and debt securities, trade and other receivables, loans and advances, cash and bank balances and derivative financial instruments.

(ii) Subsequent measurement

For the purpose of subsequent measurement, financial assets are classified in the following categories:

- 1) At amortized cost,
- 2) At fair value through other comprehensive income (FVTOCI), and
- 3) At fair value through profit or loss (FVTPL).

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- 1) The asset is held within a business model whose objective is to hold the asset for collecting contractual cash flows, and
- 2) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR.

Equity investments

All equity investments in the scope of Ind AS 109 are measured at fair value except in case of investment in subsidiary carried at deemed cost and associate carried at cost. Deemed cost is the carrying amount under the previous GAAP as at the transition date i.e. April 1, 2016.

Notes Forming Part of the Financial Statements as at March 31, 2020

Equity instruments included within the FVTPL category, if any, are measured at fair value with all changes recognized in profit or loss. The Company may make an irrevocable election to present in OCI subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

When the fair value has been determined based on level 3 inputs, the difference between the fair value at initial recognition and the transaction price is deferred and after initial recognition deferred difference is recognized as gain or loss to the extent it arises from change in input to valuation technique.

If the Company decides to classify an equity instrument at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in OCI. There is no recycling of the amounts from OCI to profit or loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

(iii) De-recognition

The Company derecognizes a financial asset only when the contractual rights to the cash flows from the asset expires or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset.

2.5 Financial liabilities

(i) Initial recognition and measurement

All financial liabilities are recognized initially at fair value and, in the case of financial liabilities classified at amortized cost, net of directly attributable transaction costs.

The financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, derivative financial instruments, etc.

(ii) Subsequent measurement

For the purpose of subsequent measurement, Financial liabilities are classified in two categories

- 1) Financial liabilities at amortized cost, and
- 2) Derivative instruments at fair value through profit or loss (FVTPL).

Financial liabilities at amortised cost

After initial recognition, financial liabilities are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

(iii) De-recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

2.6 Derivative financial instruments

Initial recognition and subsequent measurement

A derivative financial instrument, such as forward currency contracts and interest rate swaps are used to hedge foreign currency risks and interest rate risks respectively and includes options. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value.

Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss.

Notes Forming Part of the Financial Statements as at March 31, 2020

When the fair value has been determined based on level 3 inputs, the difference between the fair value at initial recognition and the transaction price is deferred and after initial recognition deferred difference is recognized as gain or loss to the extent it arises from change in input to valuation technique.

2.7 Offsetting of financial instruments

Financial assets and financial liabilities including derivative instruments are offset and the net amount is reported in the Balance sheet, if there is currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

2.8 Fair value measurement

Fair value is a market-based measurement, not an entity-specific measurement. Under Ind AS, fair valuation of financial instruments is guided by Ind AS 113 "Fair Value Measurement".

For some assets and liabilities, observable market transactions or market information might be available. For other assets and liabilities, observable market transactions and market information might not be available. However, the objective of a fair value measurement in both cases is the same to estimate the price at which an orderly transaction to sell the asset or to transfer the liability would take place between market participants at the measurement date under current market conditions (i.e. an exit price at the measurement date from the perspective of a market participant that holds the asset or owes the liability).

Three widely used valuation techniques specified in the said Ind AS are the market approach, the cost approach and the income approach which have been dealt with separately in the said Ind AS.

Each of the valuation techniques stated as above proceeds on different fundamental assumptions, which have greater or lesser relevance, and at times there is no relevance of a particular methodology to a given situation. Thus, the methods to be adopted for a particular purpose must be judiciously chosen. The application of any particular method of valuation depends on the company being evaluated, the nature of industry in which it operates, the company's intrinsic strengths and the purpose for which the valuation is made.

In determining the fair value of financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each balance sheet date.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1 : Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 : Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 : Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

2.9 Inventories

a) Inventories are valued at lower of the cost and net realizable value. The cost in respect of raw materials and stores and spares is determined on FIFO basis and in respect of finished goods and stock in process is determined on average basis. Cost of raw materials and stores and spares include the taxes and duties other than those recoverable from taxing authorities and expenses incidental to the procurement of the same. Cost in case of stock-in-process and finished goods represent prime cost and appropriate portion of overheads.

2.10 Impairments of Assets

(a) Non-financial assets

Property, plant and equipment and intangible assets are reviewed at each Balance Sheet date for impairment. In case

Notes Forming Part of the Financial Statements as at March 31, 2020

events and circumstances indicate any impairment, recoverable amounts of fixed assets is determined. An impairment loss is recognized, whenever the carrying amount of assets belonging to the Cash Generating Unit (CGU) exceeds recoverable amount. The recoverable amount is the greater of assets net selling price or its value in use. In assessing the value in use, the estimated future cash flows from the use of assets are discounted to their present value as appropriate. An impairment loss is reversed if there has been change in the recoverable amount and such loss either no longer exists or has decreased. Impairment loss/reversal thereof is adjusted to the carrying value of the respective assets, which in case of CGU, are allocated to its assets on a prorata basis.

(b) Financial assets

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss.

ECL impairment loss allowance is measured at an amount equal to lifetime ECL.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income or expense in the Statement of Profit and Loss. This amount is reflected under the head "Other expenses" in the profit or loss. ECL is presented as an allowance, i.e. as an integral part of the measurement of those assets in the Balance sheet. The allowance reduces the net carrying amount.

Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

2.11 Foreign Currency Transaction

Transactions in Foreign Currencies are accounted for at the exchange rate prevailing as on the date of the transaction. Foreign Currency monetary assets and liabilities at the year end are translated using closing rates whereas non monetary assets are translated at the rate on the date of transaction. The loss or gain thereon and also on the exchange differences on settlement of the foreign currency transaction during the year are recognized as revenue or expenses in the Statement of Profit and Loss.

2.12 Revenue Recognition

a) Revenue from Operations:

Revenue is recognized to the extent it is probable that economic benefits would flow to the Company and the revenue can be reliably measured, regardless of when the revenue proceeds is received from customers.

Revenue is measured at fair value of the consideration received/receivable taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the Government.

Revenue is measured based on the consideration specified in a contract with a customer and excludes amounts collected on behalf of third parties. The Company recognizes revenue when it transfers control over a product or service to customers in accordance with Ind AS 115.

The Company recognizes revenue to depict the transfer of promised goods or services to customers in amounts that reflect the payment to which the Company expects to be entitled in exchange for those goods or services by applying the following steps:

Step-1 - Identify the contract with a customer;

Step-2 - Identify the performance obligations in the contract;

Step-3 - Determine the transaction price;

Step-4 - Allocate the transaction price to the performance obligations in the contract;

Step-5 - Recognize the revenue when (or as) the Company satisfies a performance obligation.

b) Sale of Electricity

Sale of Electricity is accounted for on delivery of Electricity to grid in terms of agreement with the Electricity Board.

Notes Forming Part of the Financial Statements as at March 31, 2020

Other Income:

a) Interest income

For all debt instruments measured at amortized cost, interest income is recognized using the effective interest rate (EIR). Interest income is included in "Other income" in the Statement of Profit and Loss.

b) Insurance and other claims are accounted for as and when admitted or realized.

c) Dividend is recognized when the right to receive is established.

d) All other income are accounted for on accrual basis.

2.13 Expenses

All expenses are accounted for on accrual basis.

Expenses under primary heads such as salary, wages, consumption of stores etc., are being shown under respective heads and have not been functionally reclassified.

2.14 Employee Benefits

Short term employee benefits are recognized as an expenses at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered.

The Company has Defined Contribution Plan for its employees retirement benefits comprising of Provident Fund and Pension Fund. The Company makes regular contribution to Provident Fund, which are fully funded and administered by the Government. Contributions are recognized in Statement of Profit and Loss on accrual basis.

The Company has Defined Benefit Plan comprising of Gratuity and Leave Encashment schemes. The Company contributes to the Gratuity Fund under the Group Gratuity Cash Accumulation Scheme with Life Insurance Corporation (LIC) for future payment of gratuity liability to its employees. Consequent to the adoption of Indian Accounting Standard 19 (Ind AS 19) on "Employee Benefits", the liability for the Gratuity and Leave Encashment as at the year end has been determined on the basis of an independent actuarial valuation in accordance with the method stated in Ind AS 19 Revised and such liability has been adjusted/ provided in these financial statements.

The actuarial gain and losses comprise experience judgment and are recognized in the Statement of Profit and Loss in the year in which they arise.

2.15 Grants

Government Grants are recognized at fair value when there is reasonable assurance that the grant would be received and the Company would comply with all the conditions attached with them.

2.16 Borrowing Cost

Borrowing Cost that are directly attributable to the acquisition or construction of a qualifying asset are capitalized as part of the cost of such asset till such time that is required to complete and prepare the asset to get ready for its intended use.

All other borrowing cost are charged to the statement of Profit and Loss in the period in which they are incurred.

2.17 Taxes

Income tax expense comprises current tax and deferred tax and is recognized in the Statement of Profit and Loss except to the extent it relates to items directly recognized in Equity or in OCI.

a) **Current income tax**

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities using the tax rates and tax laws that are enacted or substantively enacted by the balance sheet date and applicable for the period.

Notes Forming Part of the Financial Statements as at March 31, 2020

Current tax items in correlation to the underlying transaction relating to OCI and Equity are recognized in OCI and in Equity respectively.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

b) Deferred income tax

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred tax assets are recognized for deductible temporary differences, the carry forward of unused tax credits and any unused tax losses to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilized.

Unrecognized deferred tax assets are re-assessed at each balance sheet date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws to the extent it is likely to give future economic benefits in the form of availability to set off against future income tax liability. Accordingly, MAT is recognized as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realized.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off deferred tax assets against deferred tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

2.18 Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Assets are neither recognized nor disclosed in the financial statement. Contingent Liabilities, if material, are disclosed by way of notes.

2.19 Earnings per share

- (a) Basic earnings per share are computed by dividing the net profit/(loss) after tax by the weighted average number of equity shares outstanding during the year.
- (b) Diluted earnings per share are computed by dividing the net profit/(loss) after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares which could be issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are determined as at the end of each period presented. Dilutive potential equity shares are determined independently for each period presented.

Notes Forming Part of the Financial Statements as at March 31, 2020

2.20 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM).

The chief operating decision-maker, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Managing Director who makes strategic decisions.

The accounting policies adopted for segment reporting are in line with the accounting policies adopted for preparing and presenting the Financial Statements of the Company as a whole. In addition, the following specific accounting policies have been followed for segment reporting:

- a) Segment revenue includes sales and other income directly identifiable with/allocable to the segment including inter segment transfers.

Inter segment transfers are accounted for based on the transaction price agreed to between the segments which is at cost in case of transfer of Company's intermediate and final products and estimated realizable value in case of by-products.

- b) Revenue, expenses, assets and liabilities are identified to segments on the basis of their relationship to the operating activities of the segment. Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on direct and/or on a reasonable basis, have been disclosed as "Unallocable".

2.21 Cash and cash equivalents

Cash and cash equivalents in the Balance sheet comprise cash on hand, cheques on hand, balance with banks on current accounts and short term, highly liquid investments with an original maturity of three months or less and which carry insignificant risk of changes in value.

For the purpose of the Cash Flow Statement, Cash and cash equivalents consist of Cash and cash equivalents, as defined above and net of outstanding book overdrafts as they are considered an integral part of the Company's cash management.

2.22 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing flows. The cash flows from operating, investing and financing activities of the Company are segregated.

Critical accounting judgements and key sources of estimation uncertainty

2.23 Recent Pronouncement

The Company has applied the following standards and amendments for the first time for the year ended 31st March, 2020:

- Ind AS 116 – Leases
- Appendix C, Uncertainty over Income Tax Treatments to Ind AS 12
- Prepayment Features with Negative Compensation, Amendments to Ind AS 109
- Plan Amendment, Curtailment or Settlement- Amendments to Ind AS 19

The application of Ind AS 116 and other amendments listed above did not have any impact on the amounts recognized in prior periods and are not expected to significantly affect the current or future periods.

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards. There is no such notification which would have been applicable from April 1, 2020.

G. Sensitivity analysis on Present value of Defined Benefit Obligations: (Refer Note)		
Discount rate + 100 basis point	33.96	27.70
Discount rate - 100 basis point	38.23	30.34
Salary increase rate + 100 basis point	37.88	30.15
Salary increase rate - 100 basis point	34.21	27.84
Sensitivity analysis indicates the influence of a reasonable change in certain significant assumptions on the outcome of the Present value of obligation (PVO) and aids in understanding the uncertainty of reported amounts. Sensitivity analysis is done by varying one parameter at a time and studying its impact.		

*Included in "Salaries, Wages and Bonus" and "Contribution to Provident Fund, Gratuity and Other Funds" under "Employee benefits expense" on Note 33.

The expected return on Plan Assets is based on the actuarial expectation of the average long-term rate of return expected. The discount rate is based on the prevailing market yields on Government bonds as at the balance sheet date.

7 Segment Reporting disclosures as per Ind AS-108 "Operating Segments":

Operating Segments:

a) Conveyor Belting b) Wind Energy c) Trading Goods

Identification of Segments:

The chief operating decision maker monitor the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. Operating segments have been identified on the basis of the nature of products/services and have been identified as per the quantitative criteria specified in the Ind AS.

Segment Revenue and Results:

The expenses and incomes which are not attributable to any business segment are shown as unallocated expenditure (net of unallocated income).

Segment Assets and Liabilities:

Segment assets include all operating assets used by the operating segment and mainly consist of property, plant and equipments, trade and other receivables, cash and cash equivalents, bank balance other than cash and cash equivalents etc.

Segment liabilities primarily includes trade payables, borrowings and other liabilities.

Common assets and liabilities which cannot be allocated to any of the segments are shown as a part of unallocated Corporate assets/liabilities.

B. Fair value hierarchy

The fair value of the financial assets and financial liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

- i) Fair value of cash and cash equivalents, bank balances other than cash and cash equivalents, trade receivables, other financial assets, short term loans from borrowings from banks and financial institutions, trade payables and other financial liabilities approximate their carrying amounts due to the short-term maturities of these instruments.

The Company uses the following fair value hierarchy for determining and disclosing the fair value of financial instruments:

Level 1 : Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 : Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 : Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The following tables provide the fair value hierarchy of the Company's assets and liabilities measured at fair value on a recurring basis:

(i) Financial assets and financial liabilities measured at fair value on a recurring basis :

38 OTHER DISCLOSURES (Contd.)

12 Financial risk management objectives and policies

The Company's principal financial liabilities includes borrowings, trade payables and other financial liabilities. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade receivables, cash and cash equivalents and other financial assets that derive directly from its operations.

The Company is exposed to credit risk, liquidity risk and market risk. The Company's senior management oversees the management of these risks and the appropriate financial risk governance framework for the Company. The senior management provides assurance that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. All derivative activities for risk management purposes are carried out by specialist team that have the appropriate skills, experience and supervision. It is the Company's policy that derivatives are used exclusively for hedging purposes and not for trading or speculative purposes.

The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below :

(a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other risks, such as regulatory risk and commodity price risk.

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

To manage this, the Company enters into interest rate swaps as and when required, in which it agrees to exchange, at specified intervals, the difference between fixed and variable rate interest amounts calculated by reference to an agreed-upon notional principal amount.

(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's foreign currency denominated borrowings. This foreign currency risk is covered by using foreign exchange forward contracts and cross currency swap contracts.

Foreign currency exposure as at March 31, 2020 :

Particulars	USD (in lakh)
Borrowings	–

Foreign currency exposure as at March 31, 2019 :

Particulars	USD (in lakh)
Borrowings	–

Foreign currency sensitivity

1% increase or decrease in foreign exchange rates will no material impact on Profit.

Derivative Instruments and unhedged foreign currency exposure

Notes Forming Part of the Financial Statements as at March 31, 2020

(₹ in lakh)

38 OTHER DISCLOSURES (Contd.)

12 Financial risk management objectives and policies (Contd.)

(a) Derivative contracts outstanding

Particulars	As at March 31, 2020	As at March 31, 2019
Forward contracts to sell USD	–	8.00
Forward contracts to buy USD	–	4.00

Derivative financial instruments such as foreign exchange forward contracts are used for hedging purposes and not as trading or speculative instruments.

(b) Unhedged foreign currency exposure

Nature	Currency	As at March 31, 2020	As at March 31, 2019
Amount receivable on account of sale of goods, loans and advances, interest, etc.	USD	14.19	12.77
	SGD	–	6.12
	CDN	20.60	6.16
	AUD	0.71	7.95
Amount payable on account of purchase of goods and services, loans and advances, interest, etc.	USD	5.45	5.12
	GBP	0.03	0.04
	CDN	8.41	0.69
	AUD	0.03	–

(b) Capital Management

(i) Risk Management

For the purpose of the Company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity share-holders of the Company. The Company's objective when managing capital is to safeguard its ability to continue as a going concern so that it can continue to provide returns to shareholders and other stake holders and maintain an optimal capital structure to reduce the cost of Capital.

The Company manages its capital structure and makes adjustments in light of changes in the financial condition and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders (buy back its shares) or issue new shares.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. The Company has complied with these covenants.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31st March, 2020 and 31st March, 2019.

(c) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

The impairment for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each balance sheet date.

Financial assets are written off when there is no reasonable expectation of recovery, however, the Company continues to attempt to recover the receivables. Where recoveries are made, these are recognised in the Statement of Profit and Loss.

Notes Forming Part of the Financial Statements as at March 31, 2020

(₹ in lakh)

38 OTHER DISCLOSURES (Contd.)

12 Financial risk management objectives and policies (Contd.)

(i) Trade receivables

Customer credit risk is managed based on Company's established policy, procedures and control relating to customer credit risk management.

Trade receivables are non-interest bearing and are generally on credit terms of 3 to 60 days.

An impairment analysis is performed at each balance sheet date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The maximum exposure to credit risk at the balance sheet date is the carrying value of each class of financial assets disclosed in note no. 11.

The ageing analysis of the receivables (gross) has been considered from the date the invoice falls due:

Particulars	(₹ in lakh)
As at March 31, 2020 :	
Upto 6 months	2,883.89
6 to 12 months	26.49
More than 12 months	10.30
	2,920.68
Particulars	(₹ in lakh)
As at March 31, 2019 :	
Upto 6 months	2,597.88
6 to 12 months	386.78
More than 12 months	161.10
	3,145.76

(ii) Balances with banks

Credit risk from balances with banks is managed in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties.

The Company's maximum exposure to credit risk for the components of the balance sheet as at March 31, 2020 and March 31, 2019 is the carrying amounts as stated in note no. 12 and 13.

(d) Liquidity risk

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of cash credit facilities and short term loans.

Notes Forming Part of the Financial Statements as at March 31, 2020

(₹ in lakh)

38 OTHER DISCLOSURES (Contd.)

12 Financial risk management objectives and policies (Contd.)

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payment :

(₹ in lakh)

	Total	11,718.47	-	-	11,718.47

13 Impact of Coronavirus (COVID-19)

The outbreak of Coronavirus (COVID-19) is causing significant disturbance and slowdown of economic activity in India and across the globe. The Company has evaluated impact of this pandemic in its business operations. Based on its review and current indicators of economic conditions, there is no significant impact on its financial results ended 31.03.2020. The Company will continue to closely monitor any material changes arising from future economic conditions and impact on its business.

14 Previous Years Figures

Previous year's figures have been regrouped / reclassified wherever necessary to correspond with the current year's classification / disclosure. Amounts and other disclosures for the preceding year are included as an integral part of the current year financial statements and are to be read in relation to the amounts and other disclosures relating to the current year.

International Conveyors Limited

Independent Auditors' Report

To The Members of INTERNATIONAL CONVEYORS LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **INTERNATIONAL CONVEYORS LIMITED** (hereinafter referred to as the "Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group") which comprise the consolidated Balance Sheet as at 31st March, 2020, the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Statement of Changes in Equity, the consolidated Statement of Cash Flows for the year then ended and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2020, its consolidated loss (including other comprehensive loss), consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by Institute of Chartered Accountants of India (ICAI) and the relevant provisions of the Act and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to note no. 33(13) of the consolidated financial statements which explains the management's assessment that there is no significant impact of COVID-19 pandemic on the consolidated financial statements for the year ended 31st March, 2020.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	How our audit addressed the key audit matter
<p>Accuracy of recognition, measurement, presentation and disclosures of Investments and other related balances.</p> <p>Investments include investments made by the Company in various quoted and unquoted equity shares and preference shares.</p> <p>These investments constitute 49.19% of the Group's total assets.</p> <p>The valuation of each category of the aforesaid securities is to be done as per the provisions of Ind AS which involves collection of data/information from various sources such as Demat statement, financial statements of unlisted companies etc. Considering the complexities and extent of judgement involved in the valuation, this has been determined as Key Audit Matter.</p> <p>Refer Note 5 to the Consolidated financial statements.</p>	<p>Our Procedure:</p> <p>We have verified these investments with reference to the provisions of Ind AS as also internal policies and procedure of the Company as follows:</p> <ol style="list-style-type: none">carried out evaluation of the design and operating effectiveness of the internal controls and performed substantive audit procedures.Assessed and evaluated the process adopted for collection of information from various sources for determining fair value of these investments.Verified compliance with the presentation and disclosure requirements as per Ind AS and the Act. This test was conducted for the entire population.

Independent Auditors' Report (Contd.)

Other Matters

- a. The Consolidated financial results include total assets of Rs. 1,536.69 lakhs as at 31st March, 2020, total revenue of Rs. 767.25 lakhs and total net loss after tax of Rs. 207.54 lakhs and total comprehensive loss of Rs. 200.17 lakhs for the year ended 31st March, 2020 in respect of three subsidiaries and one step down subsidiary, whose financial statements have not been audited by us. These financial statements are unaudited and have been certified by the Management of the holding Company and our opinion on the consolidated financial results, in so far as it relates to the amounts and disclosures included in respect of these entities, is based solely on such unaudited financial statements and the procedures performed by us are as stated in paragraph above.

In our opinion and according to the information and explanations given to us by the Board of Directors, these financial statements are not material to the Group.

Our opinion on the consolidated financial results is not modified in respect of this matter.

- b. Due to the COVID-19 pandemic, nationwide lockdown and other travel restrictions are imposed by the Government/local administration, hence, the audit processes were carried out electronically by remote access. The necessary records were made available by the management through digital medium and were accepted as audit evidence while reporting for the current period.

Our opinion is not modified in respect of this matter.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Independent Auditors' Report (Contd.)

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary company which is a company incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained by us and the audit evidence obtained by the other auditor in terms of his reports, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report and the audit evidence obtained by the other auditor in terms of his reports referred to in Other Matter paragraph. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in para (a) of the section titled 'Other Matters' in this audit report.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we

Independent Auditors' Report (Contd.)

determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, we report that:
 - i. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - ii. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the report of the other auditors.
 - iii. The consolidated Balance Sheet, the consolidated Statement of Profit and Loss including other comprehensive income, consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - iv. In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - v. On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2020 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditor of its subsidiary company, none of the -Directors of the Group companies is disqualified as on 31st March, 2020 from being appointed as a Director in terms of section 164 (2) of the Act.
 - vi. With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate report in "Annexure A" which is based on the Auditor's reports of the Holding company and its subsidiary company incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls over financial reporting of those companies, for reasons stated therein.
 - vii. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - a. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group- Refer Note No. 33.1 to the consolidated financial statements.
 - b. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts during the year ended 31st March, 2020.
 - c. There has been no delay in transferring amounts, required to be transferred, to the investor education and protection fund by the Holding Company during the year ended 31st March, 2020. There were no amounts which were required to be transferred to the investor education and protection fund by the subsidiary company during the year ended 31st March, 2020.
2. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

“Annexure A” to the Independent Auditors’ Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Group as of and for the year ended 31 March 2020, we have audited the internal financial controls over financial reporting of International Conveyors Limited (“the Holding Company”) and its subsidiary company, which is a company incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company and its subsidiary company, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of his report referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company and its subsidiary company.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

“Annexure A” to the Independent Auditors’ Report (Contd.)

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary company have in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to the subsidiary company, is based on the corresponding report of the auditors of such company.

Notes Forming Part of the Consolidated Financial Statements as at March 31, 2020

1. Corporate Information

International Conveyors Limited (“ICL” or “the Group”) is a public limited Company incorporated and domiciled in India. The registered office of the Company is situated at Falta SEZ, Sector-II, near Pump House No. 3 Village & Mouza- Akalmegh, Akalmegh-743504.

The Company's shares are listed on The Bombay Stock Exchange Limited and The Calcutta Stock Exchange Limited.

Its business consists of:

- (a) Manufacturing and trading of Conveyor Belting,
- (b) Trading of Ply Conveyor Belting, Steel Cord Conveyor Belting and fitting and accessories, and
- (c) Generation and Sale of Power.

International Conveyors Limited together with its subsidiaries is hereinafter referred to as ‘the Group’.

The financial statements for the year ended March 31, 2020 was approved for issue by the Board of Directors of the Company on July 13, 2020 and is subjected to the adoption by the shareholders in the ensuing Annual General Meeting.

2. Significant accounting policies

2.1 Statement of Compliance with Ind AS

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) specified under Section 133 of the Companies Act, 2013 (‘the Act’). The financial statements have also been prepared in accordance with the relevant presentation requirements of the Act.

2.2 Basis of preparation

These financial statements have been prepared in accordance with Ind AS under the historical cost basis except for the following:

- i) Certain financial assets and financial liabilities (including derivative instruments) - measured at fair value, and
- ii) Defined benefits plan – plan assets measured at fair value.

Historical cost is generally based on the fair value of the consideration in exchange for goods and services.

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. The Group has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

The financial statements including notes thereon are presented in Indian Rupees (“Rupees” or “Rs.”), which is the Group's functional and presentation currency. All amounts disclosed in the financial statements including notes thereon have been rounded off to the nearest lakh as per the requirement of Schedule III to the Act, unless stated otherwise.

2.3 Basis of consolidation

The Consolidated Financial Statements (CFS) includes the financial statements of the Company and its subsidiaries together with the share of the total comprehensive income of associate.

Subsidiaries are entities controlled by the Group. Associate is an entity over which the Group exercise significant influence but does not control.

Control, significant influence is assessed annually with reference to the voting power (usually arising from equity shareholdings and potential voting rights) and other rights (usually contractual) enjoyed by the Group in its capacity as an investor that provides it the power and consequential ability to direct the investee's activities and significantly affect the Group's returns from its investment. Such assessment requires the exercise of judgement and is disclosed by way of a note to the Financial Statements. The Group is considered not to be in control of entities where it is unclear as to whether it enjoys such power over the investee.

The assets, liabilities, income and expenses of subsidiaries are aggregated and consolidated, line by line, from the date control is acquired by any Group entity to the date it ceases. Profit or loss and each component of other comprehensive income are

Notes Forming Part of the Consolidated Financial Statements as at March 31, 2019

attributed to the Group as owners and to the non-controlling interests. The Group presents the non-controlling interests in the Balance Sheet within equity, separately from the equity of the Group as owners. The excess of the Group's investment in a subsidiary over its share in the net worth of such subsidiary on the date control is acquired is treated as goodwill while a deficit is considered as a capital reserve in the CFS. On disposal of the subsidiary, attributable amount on goodwill is included in the determination of the profit or loss and recognised in the Statement of Profit and Loss. Impairment loss, if any, to the extent the carrying amount exceeds the recoverable amount is charged off to the Statement of Profit and Loss as it arises and is not reversed. For impairment testing, goodwill is allocated to Cash Generating Unit (CGU) or a group of CGUs to which it relates, which is not larger than an operating segment, and is monitored for internal management purposes.

An investment in an associate is initially recognized at cost on the date of the investment, and inclusive of any goodwill/ capital reserve embedded in the cost, in the Balance Sheet. The proportionate share of the Group in the net profits / losses as also in the other comprehensive income is recognised in the Statement of Profit and Loss and the carrying value of the investment is adjusted by a like amount (referred as 'equity method'). All intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

2.4 Property, plant and equipment (PPE), depreciation and amortization

- a) All Property, plant and equipment are stated at cost of acquisition with subsequent improvements thereto. Cost of acquisition includes taxes, duties, inward freight and installation expenses.

Expenditure incurred on improvements/ modifications of fixed assets that increases the future benefits from the existing asset beyond its previously assessed standard of performance, e.g., increase in capacity / efficiency, are capitalized

- b) Depreciation is provided on written down value method as per Schedule II of the Companies Act, 2013 based on the useful life of the assets. In case of certain items of Plant and Equipments where useful life ranging from 10 to 30 years has been considered based on technical assessment, which is different from the useful life prescribed under Schedule II of the Companies Act, 2013. However assets costing ₹ 5,000/- or less are depreciated fully in the year of addition. Leasehold land is amortized over the period of lease.

Additions on account of improvements/ modifications, which becomes an integral part of the existing asset and either do not have separate identity and/or are not capable of being used after the existing asset is disposed off, are depreciated over the remaining useful life of the assets (improved /modified) they are attached with.

- c) Intangible Assets

Intangible assets are stated at cost of acquisition less accumulated amortization. Computer software packages are amortized over a period of five year on straight line basis.

2.5 Financial instruments

Financial assets and financial liabilities are recognised in the Balance sheet when the Group becomes a party to the contractual provisions of the instrument. The Group determines the classification of its financial assets and financial liabilities at initial recognition based on its nature and characteristics.

- (a) **Financial assets**

- (i) **Initial recognition and measurement**

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. The financial assets include equity and debt securities, trade and other receivables, loans and advances, cash and bank balances and derivative financial instruments.

- (ii) **Subsequent measurement**

For the purpose of subsequent measurement, financial assets are classified in the following categories:

- At amortised cost,

Notes Forming Part of the Consolidated Financial Statements as at March 31, 2019

- At fair value through other comprehensive income (FVTOCI), and
- At fair value through profit or loss (FVTPL).

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold the asset for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR.

Equity investments

All equity investments in the scope of Ind AS 109 are measured at fair value except in case of investment in associate (consolidated as per equity method).

Equity instruments included within the FVTPL category, if any, are measured at fair value with all changes recognized in profit or loss. The Group may make an irrevocable election to present in OCI subsequent changes in the fair value. The Group makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

When the fair value has been determined based on level 3 inputs, the difference between the fair value at initial recognition and the transaction price is deferred and after initial recognition deferred difference is recognised as gain or loss to the extent it arises from change in input to valuation technique.

If the Group decides to classify an equity instrument at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in OCI. There is no recycling of the amounts from OCI to profit or loss, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity.

(iii) De-recognition

The Group derecognises a financial asset only when the contractual rights to the cash flows from the asset expires or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset.

(b) Financial liabilities

(i) Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of financial liabilities classified at amortised cost, net of directly attributable transaction costs.

The financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, derivative financial instruments, etc.

(ii) Subsequent measurement

For the purpose of subsequent measurement, Financial liabilities are classified in two categories:

- Financial liabilities at amortised cost, and
- Derivative instruments at fair value through profit or loss (FVTPL).

Financial liabilities at amortised cost

After initial recognition, financial liabilities are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR

Notes Forming Part of the Consolidated Financial Statements as at March 31, 2020

amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

(iii) De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

(c) Derivative financial instruments

Initial recognition and subsequent measurement

A derivative financial instrument, such as forward currency contracts and interest rate swaps are used to hedge foreign currency risks and interest rate risks respectively and includes options. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value.

Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss.

When the fair value has been determined based on level 3 inputs, the difference between the fair value at initial recognition and the transaction price is deferred and after initial recognition deferred difference is recognised as gain or loss to the extent it arises from change in input to valuation technique.

(d) Offsetting of financial instruments

Financial assets and financial liabilities including derivative instruments are offset and the net amount is reported in the Balance sheet, if there is currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

(e) Fair value measurement

Fair value is a market-based measurement, not an entity-specific measurement. Under Ind AS, fair valuation of financial instruments is guided by Ind AS 113 "Fair Value Measurement".

For some assets and liabilities, observable market transactions or market information might be available. For other assets and liabilities, observable market transactions and market information might not be available. However, the objective of a fair value measurement in both cases is the same to estimate the price at which an orderly transaction to sell the asset or to transfer the liability would take place between market participants at the measurement date under current market conditions (i.e. an exit price at the measurement date from the perspective of a market participant that holds the asset or owes the liability).

Three widely used valuation techniques specified in the said Ind AS are the market approach, the cost approach and the income approach which have been dealt with separately in the said Ind AS.

Each of the valuation techniques stated as above proceeds on different fundamental assumptions, which have greater or lesser relevance, and at times there is no relevance of a particular methodology to a given situation. Thus, the methods to be adopted for a particular purpose must be judiciously chosen. The application of any particular method of valuation depends on the Group being evaluated, the nature of industry in which it operates, the Group's intrinsic strengths and the purpose for which the valuation is made.

In determining the fair value of financial instruments, the Group uses a variety of methods and assumptions that are based on market conditions and risks existing at each balance sheet date.

The Group uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1 : Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Notes Forming Part of the Consolidated Financial Statements as at March 31, 2020

Level 2 : Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 : Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

(f) **Share capital**

An equity instrument is a contract that evidences residual interest in the assets of the Group after deducting all of its liabilities. Incremental costs directly attributable to the issuance of new equity shares are recognized as a deduction from equity, net of any tax effects.

2.6 Inventories

- a) Inventories are valued at lower of the cost and net realizable value. The cost in respect of raw materials and stores and spares is determined on FIFO basis and in respect of finished goods and stock in process is determined on average basis. Cost of raw materials and stores and spares include the taxes and duties other than those recoverable from taxing authorities and expenses incidental to the procurement of the same. Cost in case of stock-in-process and finished goods represent prime cost and appropriate portion of overheads.

2.7 Impairments of Assets

(a) **Non-financial assets**

Property, plant and equipment and intangible assets are reviewed at each Balance Sheet date for impairment. In case events and circumstances indicate any impairment, recoverable amounts of fixed assets is determined. An impairment loss is recognized, whenever the carrying amount of assets belonging to the Cash Generating Unit (CGU) exceeds recoverable amount. The recoverable amount is the greater of assets net selling price or its value in use. In assessing the value in use, the estimated future cash flows from the use of assets are discounted to their present value as appropriate. An impairment loss is reversed if there has been change in the recoverable amount and such loss either no longer exists or has decreased. Impairment loss/reversal thereof is adjusted to the carrying value of the respective assets, which in case of CGU, are allocated to its assets on a prorate basis.

(b) **Financial assets**

The Group recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss.

ECL impairment loss allowance is measured at an amount equal to lifetime ECL.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income or expense in the Statement of Profit and Loss. This amount is reflected under the head "Other expenses" in the profit or loss. ECL is presented as an allowance, i.e. as an integral part of the measurement of those assets in the Balance sheet. The allowance reduces the net carrying amount.

Until the asset meets write-off criteria, the Group does not reduce impairment allowance from the gross carrying amount.

2.8 Foreign Currency Transaction

Transactions in Foreign Currencies are accounted for at the exchange rate prevailing as on the date of the transaction. Foreign Currency monetary assets and liabilities at the year end are translated using closing rates whereas non monetary assets are translated at the rate on the date of transaction. The loss or gain thereon and also on the exchange differences on settlement of the foreign currency transaction during the year are recognized as revenue or expenses in the Statement of Profit and Loss.

2.9 Revenue Recognition

Revenue is recognized to the extent it is probable that economic benefits would flow to the Company and the revenue can be reliably measured, regardless of when the revenue proceeds is received from customers.

Notes Forming Part of the Consolidated Financial Statements as at March 31, 2020

Revenue is measured at fair value of the consideration received/receivable taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the Government.

Revenue is measured based on the consideration specified in a contract with a customer and excludes amounts collected on behalf of third parties. The Company recognizes revenue when it transfers control over a product or service to customers in accordance with Ind AS 115.

The Company recognizes revenue to depict the transfer of promised goods or services to customers in amounts that reflect the payment to which the Company expects to be entitled in exchange for those goods or services by applying the following steps:

Step -1- Identify the contract with a customer;

Step -2- Identify the performance obligations in the contract;

Step -3- Determine the transaction price;

Step -4- Allocate the transaction price to the performance obligations in the contract;

Step -5- Recognize the revenue when (or as) the Company satisfies a performance obligation.

The specific recognition criteria for revenue recognition are as follows:

a) Sale of Electricity

Sale of Electricity is accounted for on delivery of Electricity to grid in terms of agreement with the Electricity Board.

Other income

a) Interest income

For all debt instruments measured at amortized cost, interest income is recognized using the effective interest rate (EIR). Interest income is included in "Other income" in the Statement of Profit and Loss

b) Insurance and other claims are accounted for as and when admitted or realized.

c) Dividend is recognized when the right to receive is established.

d) All other income are accounted for on accrual basis

2.10 Expenses

All expenses are accounted for on accrual basis. Expenses under primary heads such as salary, wages, consumption of stores etc., are being shown under respective heads and have not been functionally reclassified.

2.11 Employee Benefits

Short term employee benefits are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered.

The Group has Defined Contribution Plan for its employees retirement benefits comprising of Provident Fund and Pension Fund. The Group makes regular contribution to Provident Fund, which are fully funded and administered by the Government. Contributions are recognized in Statement of Profit and Loss on accrual basis.

The Group has Defined Benefit Plan comprising of Gratuity and Leave Encashment schemes. The Group contributes to the Gratuity Fund under the Group Gratuity Cash Accumulation Scheme with Life Insurance Corporation (LIC) for future payment of gratuity liability to its employees. Consequent to the adoption of Indian Accounting Standard 19 (Ind AS 19) on "Employee Benefits", the liability for the Gratuity and Leave Encashment as at the year end has been determined on the basis of an independent actuarial valuation in accordance with the method stated in Ind AS 19 Revised and such liability has been adjusted/ provided in these financial statements.

The actuarial gain and losses comprise experience judgment and are recognized in the Statement of Profit and Loss in the year in which they arise.

Notes Forming Part of the Consolidated Financial Statements as at March 31, 2020

2.12 Grants

Government Grants are recognized at fair value when there is reasonable assurance that the grant would be received and the Group would comply with all the conditions attached with them.

2.13 Borrowing Cost

Borrowing Cost that are directly attributable to the acquisition or construction of a qualifying asset are capitalized as part of the cost of such asset till such time that is required to complete and prepare the asset to get ready for its intended use.

All other borrowing cost are charged to the statement of Profit and Loss in the period in which they are incurred.

2.14 Taxes

Income tax expense comprises current tax and deferred tax and is recognized in the Statement of Profit and Loss except to the extent it relates to items directly recognized in Equity or in OCI.

a) Current income tax

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities using the tax rates and tax laws that are enacted or substantively enacted by the balance sheet date and applicable for the period.

Current tax items in correlation to the underlying transaction relating to OCI and Equity are recognized in OCI and in Equity respectively.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

The Group offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

b) Deferred income tax

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred tax assets are recognized for deductible temporary differences, the carry forward of unused tax credits and any unused tax losses to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilised.

Unrecognised deferred tax assets are re-assessed at each balance sheet date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws to the extent it is likely to give future economic benefits in the form of availability to set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

Notes Forming Part of the Consolidated Financial Statements as at March 31, 2020

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off deferred tax assets against deferred tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

2.15 Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Assets are neither recognized nor disclosed in the financial statement. Contingent Liabilities, if material, are disclosed by way of notes.

2.16 Earnings per share

- (a) Basic earnings per share are computed by dividing the net profit/(loss) after tax by the weighted average number of equity shares outstanding during the year.
- (b) Diluted earnings per share are computed by dividing the net profit/(loss) after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares which could be issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are determined as at the end of each period presented. Dilutive potential equity shares are determined independently for each period presented.

2.17 Operating Segment

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM).

The chief operating decision-maker, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Managing Director who makes strategic decisions.

The accounting policies adopted for segment reporting are in line with the accounting policies adopted for preparing and presenting the Financial Statements of the Group as a whole. In addition, the following specific accounting policies have been followed for segment reporting:

- a) Segment revenue includes sales and other income directly identifiable with/allocable to the segment including inter segment transfers.
Inter segment transfers are accounted for based on the transaction price agreed to between the segments which is at cost in case of transfer of Group's intermediate and final products and estimated realisable value in case of by-products.
- b) Revenue, expenses, assets and liabilities are identified to segments on the basis of their relationship to the operating activities of the segment. Revenue, expenses, assets and liabilities which relate to the Group as a whole and are not allocable to segments on direct and/or on a reasonable basis, have been disclosed as "Unallocable".

2.18 Cash and cash equivalents

Cash and cash equivalents in the Balance sheet comprise cash on hand, cheques on hand, balance with banks on current accounts and short term, highly liquid investments with an original maturity of three months or less and which carry insignificant risk of changes in value.

For the purpose of the Cash Flow Statement, Cash and cash equivalents consist of Cash and cash equivalents, as defined above and net of outstanding book overdrafts as they are considered an integral part of the Group's cash management.

2.19 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing flows. The cash flows from operating, investing and financing activities of the Group are segregated.

Notes Forming Part of the Consolidated Financial Statements as at March 31, 2020

3. Use of estimates and judgement

The preparation of financial statements in conformity with Ind AS requires that management of the Group makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustments to the carrying amounts of assets and liabilities within the next financial year are described below. The Group has based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond control of the management.

1. Control:

The Group assessed whether or not it has control on its investees based on whether, as an investor, it has the power/ rights and consequently the practical ability to direct the relevant activities of its investees unilaterally. In making this judgement, the Group considered the absolute size of its holding, the relative size of and dispersion of other shareholders, and whether any contractual arrangements exist between the Company (and its subsidiaries) and other shareholders of the investees. Based on this, and in accordance with its Accounting Policy, the Group has determined that the entities listed in the notes to the financial statements are the only entities over which Group has control.

2. Significant influence:

The Group assessed whether or not it has significant influence on its investees based on its practical ability to participate in the financial and operating policy decisions of the investee, though it is not in control or in joint control of these policies. Based on such assessment, the Group determined that the entities listed in the notes to the financial statements are the only entities over which the Group has significant influence, and accordingly associates.

3. Defined Benefit Plan:

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuations involves making various assumptions that may differ from actual developments in future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

4. Recent Pronouncements :

The Company has applied the following standards and amendments for the first time for the year ended 31st March, 2020 :

- Ind AS 116 – Leases
- Appendix C, Uncertainty over Income Tax Treatments to Ind AS 12
- Prepayment Features with Negative Compensation, Amendments to Ind AS 109
- Plan Amendment, Curtailment or Settlement- Amendments to Ind AS 19

The application of Ind AS 116 and other amendments listed above did not have any impact on the amounts recognized in prior periods and are not expected to significantly affect the current or future periods.

Ministry of Corporate Affairs (“MCA”) notifies new standards or amendments to the existing standards. There is no such notification which would have been applicable from April 1, 2020.

Notes Forming Part of the Consolidated Financial Statements as at March 31, 2020

Discount rate + 100 basis point	33.96	27.70
Discount rate - 100 basis point	38.23	30.34
Salary increase rate + 100 basis point	37.88	30.15
Salary increase rate - 100 basis point	34.21	27.84

Sensitivity analysis indicates the influence of a reasonable change in certain significant assumptions on the outcome of the Present value of obligation (PVO) and aids in understanding the uncertainty of reported amounts. Sensitivity analysis is done by varying one parameter at a time and studying its impact.

*Included in "Salaries, Wages and Bonus" and "Contribution to Provident Fund, Gratuity and Other Funds" under "Employee benefit expenses" on Note 27.

The expected return on Plan Assets is based on the actuarial expectation of the average long-term rate of return expected. The discount rate is based on the prevailing market yields on Government bonds as at the balance sheet date.

NA represents the figures are not available in actuarial reports.

7 Segment Reporting disclosures as per Ind AS-108 "Operating Segments":

Operating Segments:

- a) Conveyor Belting b) Wind Energy c) Trading Goods

Identification of Segments:

The chief operating decision maker monitor the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. Operating segments have been identified on the basis of the nature of products/services and have been identified as per the quantitative criteria specified in the Ind AS.

Segment Revenue and Results:

The expenses and incomes which are not attributable to any business segment are shown as unallocated expenditure (net of unallocated income).

Segment Assets and Liabilities:

Segment assets include all operating assets used by the operating segment and mainly consist of property, plant and equipments, trade and other receivables, cash and cash equivalents, bank balance other than cash and cash equivalents etc.

Segment liabilities primarily includes trade payables, borrowings and other liabilities.

Common assets and liabilities which cannot be allocated to any of the segments are shown as a part of unallocated Corporate assets/liabilities.

B. Fair value hierarchy

The fair value of the financial assets and financial liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

Fair value of cash and cash equivalents, bank balances other than cash and cash equivalents, trade receivables, other financial assets, short term borrowings from banks and financial institutions, trade payables and other financial liabilities approximate their carrying amounts due to the short-term maturities of these instruments.

The Company uses the following fair value hierarchy for determining and disclosing the fair value of financial instruments:

Level 1 : Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 : Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 : Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The following tables provide the fair value hierarchy of the Company's assets and liabilities measured at fair value on a recurring basis:

11 Financial risk management objectives and policies

The Group's principal financial liabilities includes borrowings, trade payables and other financial liabilities. The main purpose of these financial liabilities is to finance the Group's operations. The Group's principal financial assets include trade receivables, cash and cash equivalents and other financial assets that derive directly from its operations.

The Group is exposed to credit risk, liquidity risk and market risk. The management oversees these risks and appropriate financial risk governance framework for the Group. The management provides assurance that the Group's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Group's policies and risk objectives. All derivative activities for risk management purposes are carried out by specialist team that have the appropriate skills, experience and supervision. It is the Group's policy that derivatives are used exclusively for hedging purposes and not for trading or speculative purposes.

The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below :

(a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other risks, such as regulatory risk and commodity price risk.

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's long-term debt obligations with floating interest rates.

The Group manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

Notes Forming Part of the Consolidated Financial Statements as at March 31, 2020

33 OTHER DISCLOSURES (Contd.)

11 Financial risk management objectives and policies (Contd.)

To manage this, the Group enters into derivative contracts as and when required, in which it agrees to exchange, at specified intervals, the difference between fixed and variable rate interest amounts calculated by reference to an agreed-upon notional principal amount.

(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Group's exposure to the risk of changes in foreign exchange rates relates primarily to the Group's foreign currency denominated borrowings. This foreign currency risk is covered by using foreign exchange forward contracts.

Foreign currency sensitivity

1% increase or decrease in foreign exchange rates will no material impact on Profit.

Unhedged Foreign Currency exposures are as follows :-

Nature	Currency	(₹ in lakh)	
		As at March 31, 2020	As at March 31, 2019
Amount receivable on account of sale of goods, loans and advances, interest, etc.	USD	14.19	12.77
	SGD	–	6.12
	CDN	20.60	6.16
	AUD	0.71	7.95
Amount payable on account of purchase of goods and services, loans and advances, interest, etc.	USD	5.45	5.12
	GBP	0.03	0.04
	CDN	8.41	0.69
	AUD	0.03	-

(b) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

The impairment for financial assets are based on assumptions about risk of default and expected loss rates. The Group uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Group's past history, existing market conditions as well as forward looking estimates at the end of each balance sheet date.

Financial assets are written off when there is no reasonable expectation of recovery, however, the Group continues to attempt to recover the receivables. Where recoveries are made, these are recognised in the Statement of Profit and Loss.

(i) Trade receivables

Customer credit risk is managed based on Group's established policy, procedures and control relating to customer credit risk management.

Trade receivables are non-interest bearing and are generally on credit terms of 3 to 60 days.

An impairment analysis is performed at each balance sheet date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The maximum exposure to credit risk at the balance sheet date is the carrying value of each class of financial assets disclosed in note no. 11.

Notes Forming Part of the Financial Statements as at March 31, 2020

33 OTHER DISCLOSURES (Contd.)

11 Financial risk management objectives and policies (Contd.)

(ii) Balances with banks

Credit risk from balances with banks is managed in accordance with the Group's policy. Investments of surplus funds are made only with approved counterparties.

The Group's maximum exposure to credit risk for the components of the balance sheet as at March 31, 2020 and March 31, 2019 is the carrying amounts as stated in note no. 12 and 13.

(c) Liquidity risk

The Group's objective is to maintain a balance between continuity of funding and flexibility through the use of cash credit facilities and short term loans.

The table below summarises the maturity profile of the Group's financial liabilities based on contractual undiscounted payment :

(₹ in lakh)

Sl. No.	Particulars	Less than 1 year	1 to 5 years	>5 years	Total

13 Impact of Coronavirus (COVID-19)

The outbreak of Coronavirus (COVID-19) is causing significant disturbance and slowdown of economic activity in India and across the globe. The Company has evaluated impact of this pandemic in its business operations. Based on its review and current indicators of economic conditions, there is no significant impact on its financial results ended 31.03.2020. The Company will continue to closely monitor any material changes arising from future economic conditions and impact on its business.

14 Previous Years Figures

The previous year's including figures as at the date of transition have been reworked, regrouped, rearranged and reclassified wherever necessary. Amounts and other disclosures for the preceding year including figures as at the date of transition are included as an integral part of the current year financial statements and are to be read in relation to the amounts and other disclosures relating to the current year.

As per our report of even date attached.
