

INDEPENDENT AUDITORS' REPORT**To the Members of International Belting Limited****Report on the Financial Statements**

We have audited the accompanying financial statements of International Belting Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss, Cash Flow Statement for the year then ended, significant accounting policies and other notes for the year ended on that date.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flow of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent, and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the Accounting and Auditing Standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of

the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

International Belting Limited
"Annexure B" referred to in our report of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of International Belting Limited ("the Company") as at March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENT AS AT MARCH 31, 2017

1. Summary of Significant Accounting Policies :

1.1 General:

The financial statements have been prepared under the historical cost convention in accordance with the provision of the Companies Act, 2013 and mandatory Accounting Standards as prescribed under section 133 of the Companies Act, 2013, and other recognized accounting practices. Accounting policies unless specifically stated to be otherwise, are consistent and are in consonance with generally accepted accounting principle.

1.2 Use of Estimates:

The preparation of financial statements require management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosures relating to contingent liabilities and assets as at the Balance Sheets date and the reported amounts of revenue and expenses during the year. Difference between the actual results and the estimates are recognized in the year in which the results are known/ materialized.

1.3 Fixed Assets, Depreciation and Amortization :

1.3.1 Gross Block:

Fixed Assets are stated at cost of acquisition with subsequent improvements thereto. Cost of acquisition includes taxes, duties, inward freight and installation expenses. Expenditure incurred on improvements/ modifications of fixed assets that increases the future benefits from the existing asset beyond its previously assessed standard of performance, e.g., increase in capacity / efficiency, are capitalized.

1.3.2 Depreciation is provided on written down value method as per Schedule II of The Companies Act, 2013 best on the useful life of the assets. However asset costing ₹ 5000/- or less are depreciated fully in the year of addition.

1.4 Revenue Recognition

All expenses and revenue to the extent considered payable and receivable respectively, unless specifically stated to be otherwise, are accounted for on mercantile basis.

1.5 Investments

Non current investments are stated at cost less provision for diminution other than temporary in nature. Current investments are carried at lower of cost and fair value.

1.6 Inventories

Inventories are valued at lower of the cost and net realizable value. The cost in respect of raw materials and stores and spares is determined on FIFO basis and in respect of finished goods and stock in process is determined on average basis. Cost of raw materials and stores and spares include the taxes and duties other than those recoverable from taxing authorities and expenses incidental to the procurement of the same. Cost in case of stock-in-process and finished goods represent prime cost and appropriate portion of overheads. Traded goods are valued using FIFO method.

1.7 Employee Benefits

Short term employee benefits are recognized as an expense at the undiscounted amount in the statement of Profit and Loss of the year in which the related service is rendered.

1.8 Borrowing Costs

Borrowing cost incurred for the acquisition of qualifying assets are recognised as part of the cost of such assets up to the date when such assets are ready for intended use. Other borrowing cost are charged as an expense in the year in which they are incurred.

1.9 Provision for Current & Deferred Tax

Provision for Tax is made for current tax and deferred tax. Current tax is provided on the taxable revenue using the applicable tax rates and tax laws. Deferred tax assets and liabilities arising on account of timing difference, which are capable of reversal in subsequent periods are recognized using tax rates and tax laws, which has been enacted or substantively enacted. Deferred tax assets are recognized only to the extent that there is a reasonable certainty that sufficient future taxable revenue will be available against which such deferred tax assets will be realized. In case of carry forward of unabsorbed depreciation and tax losses, deferred tax assets are recognized only if there is "virtual certainty" that such deferred tax assets can be realized against future taxable profits.

1.10 Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Assets are neither recognized nor disclosed in the financial statement. Contingent Liabilities, if material, are disclosed by way of notes.
